### What is a cookie?

A cookie is a small text and number file that we store in your browser or on the hard drive of your computer. In this way we can remember your preferences when using our Website.

For this, so-called functional cookies are used, which improve the use of the website for you as a visitor. And non-functional cookies for collecting statistics from our visitors, in order to improve our website in the future.

Unless you have adjusted your browser settings so that it will refuse cookies, our system will place cookies as soon as you visit our Website.

### Information about our use of Cookies

Our Website uses cookies and similar technologies to distinguish your user preferences from those of other users of our Website. This helps us to provide you with a better user experience when you visit our Website and also allows us to optimize our Website.

However, cookies and similar technologies do not allow us to systematically collect data that could identify the users of our Website. They only help us to improve the functioning of our Website, to understand the interests of our users and to measure the effectiveness of the content of our Website.

Due to recent changes in the law, all websites targeting certain parts of the European Union are required to ask for your consent to use or store cookies and similar technologies on your computers or mobile devices. This cookie policy provides you with clear and complete information about the cookies we use and their purpose.

Please read our Privacy Policy to learn about the privacy rules that apply to the Website.

For further information about this Cookie Policy, please contact us at [hello@vaninnis.com](mailto:hello@vaninnis.com).

For further information about removing or blocking cookies, you can visit the following website: <https://www.aboutcookies.org>.
